

PHOENIX CIS FUND LIST

SEPTEMBER 2024

Our current fund offering comprises around 500 funds, providing clients with access to a wide range of solutions and asset classes to meet their investment objectives.

We pride ourselves on the breadth of our fund manager relationships, with over 70 fund manager groups represented on our platform. This helps us in adding new funds to the platform, to meet the ever-changing investment needs of our clients and consultants. Our solutions include access to Target Date Funds, Exchange Traded Funds and Liability Driven Investment (LDI). We have also added a significant number of new funds to meet a broad range of sustainable investment themes.

We are happy to link to new funds and managers as required. If the funds you wish to access are not currently included on our fund list, please contact us to discuss further.
